

# GARDEN CLUB

The Garden Club meets every **Friday morning at 8.30am** in the school garden near the preschool. No gardening experience is required.

Kindergarten to year six and all ages are catered for in a fun and age appropriate way. It's a great way for parents to meet other parents and for children to meet and make a variety of new friends and work alongside their older peers.

Our aim is to create enthusiasm, enjoyment and willing participation through practical hands-on approaches. In the process children learn about growing and recognising produce including vegetables, fruits, flowers and herbs.

Anyone who has gardening experience or ideas to share is welcome to join us.

The Garden Club is run by Mr Sharp.
